Ellen Krabbe

- Strategic partner for intellectual asset creation and management resulting in increased value and reduced costs
- Skilled patent researcher and analyst
- Passionate scientist, with an exceptional ability to rapidly grasp new technologies and concepts
- Builder of cross-functional relationships

Ellen received her bachelor's degree in medical technology and biology, from UW-Oshkosh. As a scientist and researcher, she enjoyed working in France as a technical coach and translator. She founded FRESCO in 1998 and clients included research centers, and pharmaceutical companies such as Pfizer, Sanofi-Aventis among others.

In 2010, Ellen returned to Wisconsin and became an avid patent searcher and intellectual property liaison for multiple Bemis Company divisions: Healthcare, Advanced Technologies, Latin America, and Europe.

Fresco Services was created to offer world-class intellectual property services to organizations and entrepreneurs.

Vision

Our vision is to ensure that all organizations in Northeast Wisconsin benefit from building and leveraging intellectual property in order to develop business and support Wisconsin's reputation for innovation.
